

ISSUE	Q1 2022	Q2 2022	Q3 2022	Q4 2022
Featured Interview	Every issue features an exclusive discussion with a newsmaking business leader or veteran director on issues of critical relevance to the board community, such as renowned strategy guru Ram Charan; Chevron and 3M Director Dambisa Moyo; Johnson & Johnson, MetLife and Aramco Director Mark Weinberger; and Tyson Foods and Dow Director Gaurdie Banister Jr. The Q4 issue will profile the distinguished recipients of our 4th annual Board Leadership Awards: Director of the Year, Greatest Impact on Corporate Boards and Courage in the Boardroom.			
Special Report	Digital Transformation & Business Strategies	Prepping For Proxy Season	Shareholder Engagement on ESG	M&A Outlook 2023
Research	What Directors Think Corporate Board Member's annual poll reveals what's on the minds of directors around the nation and how they are prioritizing for the year ahead.	Digital Transformation We'll find out where boards are in their journey into technological transformation and how the best companies are disrupting themselves.	Strategy Oversight Nose in, fingers out. We'll look at how boards handle their role in supporting management to ensure a strategy that contributes to higher performance and superior results.	Human Capital Oversight There's nothing more top of mind for companies right now. We'll evaluate what's working and what's not with our exclusive research.
Director Roundtable	Each quarter, we'll convene a group of 10-12 public company directors to delve into a critical board leadership issue. Past roundtable topics include the board's role in change management, the board's role in human capital oversight and cybersecurity. Take-aways from the roundtable will be used to create a sponsored thought leadership in the magazine.			
Sponsored Thought Leadership Tracks	<p>Digital Transformation. Our year-long deep dive into what today's directors need to know about emerging technologies and business disruption.</p> <p>Risk. Each quarterly issue will tackle a different risk issue for boards. Black-swan scenario planning, cybersecurity and data privacy, third-party risk, international compliance, social unrest, pandemics and more.</p> <p>Compensation. Each quarterly issue will cover best practices and oversight responsibilities of the compensation committee: human capital concerns, CEO pay benchmarking, short- and long-term incentives, shareholder expectations for pay and more.</p> <p>Board Performance. Each quarterly issue will cover forward-thinking practices for directors to elevate their boards' contribution including board evaluations, director recruitment, diversity, onboarding, board culture and more.</p>
